- **SuperSpeed USB 3.0**
- **Amazing transfer and back-up speeds**
- **Backwards compatible with USB 2.0***
- **Compact, lightweight with textured finish**
- **Easy to use and install**

Packaging Contents

1. Hard Disk Drive (back-up software pre-loaded)
2. USB 3.0 Cable
3. Quick Start Guide

TECHNICAL SPECIFICATIONS	
Connection	USB 3.0 Port (backward compatible to USB 2.0)
Hard Disk Drive	1 SATA HDD
Format	FAT 32 or NTFS
PC Compatible	Microsoft® Windows® XP/Vista/Win7
Mac	Mac not supported by USB 3.0 at present*
Configuration Requirements	Microsoft® Internet Explorer 5.0 or higher (or other) with internet connection for software updates

*This USB 3.0 device can be plugged into a USB 2.0 host provided you use the USB 3.0 Cable supplied, however, the USB 3.0 device will only obtain USB 2.0 throughputs while connected into a USB 2.0 host. Once USB 3.0 device is plugged back into a USB 3.0 host your speeds will return to SuperSpeed USB ranges. (Remember performance may vary based on operation system or environment)
